

SolidWorks

1. Download the 2024 Solidworks setup.exe file from this link: [Solidworks Download](#)
2. Run the file and extract the contents
3. Run the setup.exe file within the extracted folder, most of the default options are fine with exceptions noted below:
 1. Under **Products** make sure **Solidworks PDM Client: Item Explorer** is selected
 2. If you are upgrading from a previous edition, choose upgrade to SW24
 3. When given a prompt for the serial number, input the following:
 4. **9020-0087-2933-9499-TPSF-KYBJ**

Revision #7
